

Wilbur Soot - I'm In Love With An E-girl

tom:

Intro: **G** **Am**
C

[Primeira Parte]

Well, it's 2:45pm
Wake up from snoring, open DMs
Can of Red Bull by the bed
Vape is?charged,?Snapchat?s read
What's popping?
What's?popping?

She?s beauty, she's grace
She has a?profile picture of an anime girl's face
Just a single message more
Sends her rubbing up my ethernet cord

[Pré-Refrão]

I wanna be the guy
That you fall asleep on call with
I'll make you forget
Every guy that came before me
'Cause I like you
And you like my attention
Let's skip to the good bit
Let's consummate our internet connection

[Refrão]

I'm in love with an
I?m in love with an
I?m in love with an
With an e-girl
I'm in love with an
I?m in love with an
I'm in love with an
With an e-girl

[Segunda Parte]

Mom took away my PS4
So I punched a hole through my bedroom wall
I'm not aggressive

I just ooze masculine passion

Did you know I've also got depression?
I?m self-diagnosed, thought I should mention
I thought you could be the one to fix me

[Pré-Refrão]

I wanna be the girl
That you fall asleep on call with
Meanwhile I'll
Find other people to talk with
'Cause you like me
And I think you're a maniac
Let's skip to the good bit
Let's completely block all contact

[Refrão]

I'm in love with an
I'm in love with an
I'm in love with an
With an e-girl
I'm in love with an
I'm in love with an
I'm in love with an
With an e-girl

[Ponte]

Mom took away my PS4
I've said it so many times before
How can I live on if I keep collecting
These every little slights and insurrections
Constant pain in every dimension
My body weeps
Disbelief heads suspensions

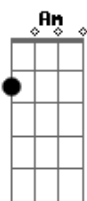

[Final]

I wanna be the guy
That you find stalking your affections
Your social media scoured
You seek police interventions
Cause I base my
Ideals on obsessive media
N.c
Maybe if I act like them
You'll respond to my DMs
