Wilbur Soot - Jubilee Line

```
                              tom:
                  A
Intro: A

A7            A  F  A
Wasting your time
A7              A  F  A
You're wasting mine
A7                   A   F  A
I hate to see you leaving
A7                 A  F  A
Fate worse than dying

A7                    A  F  A
Your city gave me asthma
A7                          A  F  A
So that's why I'm fucking leaving
A7                      A  F  A
Your water gave me cancer
A7                         A  F  A
The pavement hurt my feelings

A7             A  F
Shout at the wall
A              A7                      A  F  A
Because the walls don't fucking love you
A7             A  F
Shout at the wall
A              A7                      A  F
Because the walls don't fucking love you
```

```
( A  A7  A  F )

A           A7
There's a reason
 A            F                   A
London puts barriers on the tube line

A           A7
There's a reason
 A            F                   A
London puts barriers on the tube line

A           A7
There's a reason
 A            F                   A
London puts barriers on the tube line

A           A7
There's a reason
 A            F                   A
London puts barriers on the tube line

A           A7
There's a reason
 A            F                   A
London puts barriers on the tube line

A           A7
There's a reason
       A
They fail
```
