

Wilco - Forget The Flowers

Tom: C

Intro: C E F C
G F C

You're trying my patience, try pink carnations
Red roses and yellow daffodils
Don't forget the flowers, someday, I know you will

Displayers of affection and all good intentions,
Why don't you just send me the bill

Don't forget the flowers, someday, I know you will

[Ponte]

Lately you've been taking me
Way too seriously, ooooooooooh

I can't ever explain why
I don't feel your pain, ooooooooooh

[Solo] C E F C
G F C

I left you behind, I know it's been a long time but
I'm not over you

Don't forget the flowers, someday, I hope I do

You're tryin' my patience, try pink carnations
Red roses and yellow daffodils

Don't forget the flowers, someday

I know I will

Don't forget the flowers, someday, I know I will
