Dm
I'll kill, I'll kill, I'll kill, I'll kill for you

Dm
I'll die, I'll die, I'll die, I'll die for you
C Em7
I will, I will, I will

[Verso]

E
And if I die

I'll die, I'll die alone on some
F C
Old private hill
F C
Abandoned by the mill
F
All my blood will
G
Spring and spill
F
I'll crash the air
G
and be still

[Verso]

Am
You'll wait
With the star from a dream
C
And know that I am gone
Dm
You'll feel it in your heart
C
But not for very long

Am
You'll rise each day as planned
C
Your will is your command
Dm
And stand each Sunday
C Em7
A hymnal steady in your hand

E
You'll sing to yourself
F
The rising-falling melody
C

That you could never read
F C
Without the choirs' lead
F G
Still alone, and lost in deep
F G
And your soul will not be free

[Chorus]

Am
I will go , I will go, I will go
And in wars waters
C
I will wade
Dm
And I will know

If I remorse or regret
C
The fairness of our trade

Am
For you to live

I took your place
A deal was made

And I was paid
Dm
And the goldness

I was told

Was a place
C
Where my body could be laid

E
And we will steal your life

And I own
F
In better homes surrounded

C
By your peers
F C
Without suffering or fear
F G
Grandchildren far and near
F G
And none will shed a tear
F G
For the love no longer here

[Chorus]

Am
I'll go, I'll go, I'll go, I'll go for you
C
I will
Dm
I'll fight, I'll fight, I'll fight, I'll fight for you
C Em7
I will, I will, I will
Am
I'll kill, I'll kill, I'll kill, I'll kill for you
C
I will
Dm
I'll die, I'll die, I'll die, I'll die for you
C Em7
I will, I will, I will

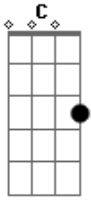

[Outro]

E
And if I die
I'll die
F
I'll die alone like Jesus
C
On a cross

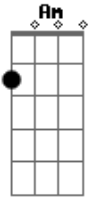

F C
My faith cannot by tossed
F G

And my life will not be lost
F G
If my love comes across
