

# Wild Belle - Love Like This

Tom: Ab

(com acordes na forma de Capostrate na 1ª casa G )

My heart's on fire  
 You light me up, and I can't cool down  
 Your love is wild  
 You're dangerous  
 Dangerous (2x)  
 Remember when you kissed me by the sea  
 You were saying all the things that I'd like to believe  
 That you could give me all your love  
 You could give me just enough  
 And we could live in paradise  
 And never have to leave  
 But is it true?  
 Whenever I look around  
 I can always find you  
 On my side  
 In the morning and night  
 You're my can-candy all the time  
 My heart's on fire  
 You light me up, and I can't cool down  
 Your love is wild  
 You're dangerous  
 Dangerous  
 I've never known a love like this

I've never known a love like this  
 Oh oh, Oh oooohh  
 Ooo, ooo, oooo  
 I like your style  
 I like your smile  
 Everything about you  
 When you are on top  
 I let you take me for a ride  
 We can go anywhere you want to  
 My heart's on fire  
 You light me up, and I can't cool down  
 Your love is wild  
 You're dangerous  
 Dangerous  
 I like your style  
 I like your smile  
 Everything about you  
 When you are on top  
 I let you take me for a ride  
 We can go anywhere you want to  
 I've never known a love like this  
 I've never known a love like this  
 I've never known a love like this  
 I've never known a love like this
