And explain to them The sky is up and the earth is down

Amongst other things like human beings they really aren't what they seem

F G
They'll lie to you and steal

Dm G
To get ahead of you and I'm afraid it's true

F G
When the world comes crashing down what are they to do

Dm G
And I'm not blaming you for being naive

F G7 Fm
But now just close your eyes and start dreaming dreaming dreaming dreaming

(C - Am - Em - F - G)

About candlelight forget about stupid fights
And it's funny to me I can't remember a single thing
that we fought about now that I'm alone but I guess that's how it goes
but I do remember every time that you kissed my neck oh I loved that the best
won't be getting none of those now that I'm an L A queen and away from you
but darling remember please that people lie and cheat and steal

[Dm - G - F - G - Dm - G - F - G7 - Fm]

to get ahead of you
And I'm afraid it's true
when the world comes crashing down what are they to do
And I'm not blaming you for being naive
but now just close your eyes and start dreaming dreaming dreaming
