

Wild Party - Out Right

Tom: D

G D
It's not this life it's these dreams
A
That bring down
G D A
The me inside but maybe tonight I'll get the story right
G
I saw you smiling with him hurt
D A
To watch but helped me understand
G D
This life isn't your friend

A
It's just I
G D
Wish sometimes dreaming was as real
A G
As this feeling since I left you
D A
I'll be back to new

G
You tell me that you're lonely
D A
You tell me something isn't working out right
G
I ask you to be honest
D A
Make a promise tell me that we'll work this out right

G D
Excuse me miss I read lips
A G
You might want
D A
To take a step on back and look at your tracks

Because
G D
I wish sometimes dreaming was as real
A G
As this feeling since I left you
D A
I'll be back to new

G
You tell me that you're lonely
D A
You tell me something isn't working out right
G
I ask you to be honest
D A
Make a promise tell me that we'll work this out right

Em A D Bm
There's not a day my weekend starts no
Em A
I've been on the run since I was five
D
When the playground was all I had to discover life
Open your eyes

A
It's just I
G D
Wish sometimes dreaming was as real
A G
As this feeling since I left you
D A
I'll be back to new

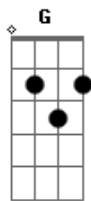

G
You tell me that you're lonely
D A
You tell me something isn't working out right
G
I ask you to be honest
D A
Make a promise tell me that we'll work this out right

G
You tell me that you're lonely
D A
You tell me something isn't working out right
G
I ask you to be honest
D A
Make a promise tell me that we'll work this out right
