

# Wild - All My Life

tom:

Intro: C  
 [Primeira Parte]  
 We're holding on through all the years

Looking back brings me to tears  
 Ohohoho, I

Wanna see us through  
 You always knew just how I feel

And all I want is what is real  
 Ohohoho, I'm

Gonna stand by you

[Pré- Refrão]

Even on your darkest days  
 You know that I will never change  
 Ohoho, I

Will love you the same

[Refrão]

Oh, I  
 Will keep you safe for all my life  
 And you  
 Will have my heart for all of time  
 Even on your darkest days  
 You know that I will never change  
 Oh, I  
 Will love you the same  
 Oh, I

Will love you the same

[Segunda Parte]

Tell me how the tables turned  
 How I've grown from lessons learned  
 Ohohoho, I'll  
 Keep my faith in you

[Pré- Refrão]

Even on my darkest days  
 I know that you will never change  
 Ohoho, I

Will love you the same  
 [Refrão]

Oh, I  
 Will keep you safe for all my life  
 And you

Will have my heart for all of time  
 Even on your darkest days

You know that I will never change  
 Oh, I

Will love you the same

[Ponte]

Ooh, ooh-ooh, ooh-ooh, ooh, ooh  
 Ooh, ooh-ooh, ooh-ooh, ooh, ooh  
 Ooh, ooh-ooh, ooh-ooh, ooh, ooh  
 Ooh-ooh

[Pré-Refrão]

Even on your darkest days  
 You know that I will never change

[Refrão Final]

Oh, I  
 Will keep you safe for all my life  
 And you  
 Will have my heart for all of time  
 Even on your darkest days  
 You know that I will never change  
 Oh, I  
 Will love you the same  
 Oh, I  
 Will love you the same
