

# Wild - For You

Tom: C

Paid phone call  
 From a dead end street in Omaha  
 And tomorrow I'll be one night closer to you  
 sent you a postcard from Calla, Mizzou  
 And wrote that I wish I could be there with you  
 I'm all out of change now, so I'll have to go  
 There's one thing I want you to know  
 I'll give my all  
 For you, for you  
 I'll give my all  
 For you, for you  
 I'll give my all  
 For you, for you

Never giving up  
 Never let you go  
 I'll give my all  
 Never giving up  
 Never let you go  
 I'll give my all  
 For you, for you  
 I'll give my  
 Hard to hear  
 What you're saying 'cause the lines aren't clear  
 But tomorrow you'll be one night closer to me  
 Last night I asked for a table for two  
 Cause I keep forgetting that I'm not with you  
 I know the time's up and you have to go  
 But there's one thing I want you to know
