C F C

I'm sick of the ocean

It's been getting in the way

Been thinking bout my old home

In the middle of the states

Where my only love is chicken fried steak

Woah oh oh oh oh oh oooh

Ah a a a a aaaaa

Woah oh oh oh oh oh oooh

Ah a a a a aaaaa

If you came to the ocean

Then maybe I could stay

Acordes

We could call it our new home

Just west of the plains

Maybe all this shit would disappear

If you just come and come make me stay

Woah oh oh oh oh oh oooh

Ah a a a a aaaaa

Woah oh oh oh oh oh oooh

Ah a a a a aaaaa

Am F

Maybe all this shit would disappear

All this shit might disappear

All of this might disappear

If you just come and come make me stay
