

Will Cullen - Just Miss You

tom:

A

Just yesterday hear someone say your name
 A E D
 I'd wanna put my fist through the wall
 A E D
 'Cause u tore me up broke my heart and my trust
 A E D
 The last thing I'd ever do is call
 E D
 And maybe it's late and I'm drunk and that's why
 E D E
 All i want to do is see you tonight
 A E
 Oh I used to hate you so much
 Gbm E
 I would tell my friends that you suck
 D Gbm E
 Hope that someone else
 D Gbm E
 Puts you through this hell
 A E
 Made it easy to get over us
 Gbm E
 But now it's been a couple of months
 D Gbm E
 And I don't want to
 D Dm A
 But I just, I just miss you
 (A E D)

A E D
 I can't explain why my feelings have changed
 A E D
 But silence with you is a war
 A E D
 'Cause you said goodbye and then twisted the knife
 A E D

But right now I don't care anymore
 A E
 Oh I used to hate you so much
 Gbm E
 I would tell my friends that you suck
 D Gbm E
 Hope that someone else
 D Gbm E
 Puts you through this hell
 A E
 Made it easy to get over us
 Gbm Dbm E
 But now it's been a couple of months
 D Gbm E
 And I don't want to
 D E A
 But I just, I just miss you
 (Gbm E A Bm D)
