tom:

[Intro] A B E

A B E  
A B E  
A B

You ask me how are the days I spend with my only true love  
And I tell you she shows me the summer with snow clouds above

( A B E )  
( A B )

You ask me how are the nights I spend with my only true baby  
And I tell you she shows me the light

When my darkest hour shades me

And I tried to hold on to her

But she slipped through my fingers like rain

Now it ain't the same

( A B E )  
( A B E )  
( A B E )  
( A B )

You ask me how are the days now that my baby is gone  
I'm troubled my friend

I know what is right but I do what is wrong

I know what is right but I do what is wrong

You ask me how are the nights now that my true love has left me

Well, I drink and I dream of her still

But her vision, it only breaks me

And I tried to hold on to her

But she slipped through my fingers like rain

Yeah, she slipped through my fingers like rain

Now it ain't the same

( A B E )  
( A B E )  
( A B E )  
( A B )

When my darkest hour shades me

And I tried to hold on to her

But she slipped through my fingers like rain

She slipped through my fingers like rain, now it ain't

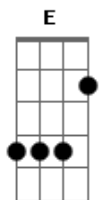

Now it ain't the same

( E Gbm A )  
( E Gbm A )

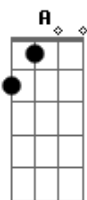

No, it ain't the same

[Final] E Gbm A
