

# Will Joseph Cook - Treat Me Like a Lover

Tom: **G**

[Primeira Parte]

**C** I'm gonna take a run through the cemetery  
**Em D Bm C**  
 For the therapy  
**Em D Bm C**  
 Seems to always clear my head  
**Em D**  
 Got so sick of all the wondering  
**D Bm C**  
 So let's change the pace  
**Em D**  
 Guess you could call it a graveyard shift

[Pré-Refrão]

**D Bm C Em D**  
 Oh but I-I-I-I know the right ways  
**D Bm C**  
 Not always what you want  
**Em D Bm**  
 No point hiding how you're feeling

[Refrão]

**C Em D**  
 So girl, treat me like a lover  
**Bm C Em**  
 Not like your friend ooh  
**D**  
 Treat me like a lover  
**D Bm C**  
 Make my day  
**Em D**  
 Wanna be real and want a reflection in your eyes  
**D Bm C**  
 But you're miles away  
**Em D G D C**  
 Ooh, treat me like a lover

[Segunda Parte]

**C** I build a house of cards with the symmetry and the clarity  
**Em D Bm C**  
 You can always lean on me, ooh  
**Em D**  
 What's the point in having the upper hand  
**Bm C**  
 When we're falling down  
**Em D**  
 I'm not dealing with it on my own

[Pré-Refrão]

**C Em D**

Oh but I-I-I-I know the right ways  
**D Bm C**  
 Not always what you want  
**Em D D Bm**  
 No point hiding how you're feeling

[Refrão]

**C Em D**  
 So girl, treat me like a lover  
**Bm C Em**  
 Not like your friend ooh  
**D**  
 Treat me like a lover  
**D Bm C**  
 Make my day  
**Em D**  
 Wanna be real and want a reflection in your eyes  
**D Bm C**  
 But you're miles away  
**Em D G D Bm**  
 Ooh, treat me like a lover

[Ponte]

**C D**  
 Would you believe me if I had no doubt?  
**Em Bm**  
 Or I could wait for a million brighter days  
**C**  
 And if I let my demons out  
**D**  
 Would you heal me?  
**C**  
 And treat me like a human being

[Refrão]

**Em D**  
 Treat me like, treat me like a lover  
**Bm C**  
 And treat me like a human being  
**Em D**  
 Treat me like, treat me like a lover  
**D Bm C**  
 Make my day  
**Em D**  
 Wanna be real and want a reflection in your eyes  
**D Bm C**  
 But you're miles away  
**Em D**  
 Ooh, treat me like a lover  
**G D C**  
 Make my day  
**Em D**  
 Wanna be real and want a reflection in your eyes  
**D Bm C**  
 But you're miles away  
**Em D G D C**  
 Ooh, treat me like a lover
