

Will Reagan & United Pursuit - Nothing I Hold On To

Tom: G

I lean not on my own understanding
 My life is in the hands of the Maker of heaven
 I give it all to You God
 trusting that you'll make something beautiful out of me

There's nothing I hold on to
 There's nothing I hold on to
 There's nothing I hold on to
 There's nothing I hold on to
 I will climb this mountain with my hands wide open
 I will climb this mountain with my hands wide open
