

# Will Reagan - Take a Moment

Tom: **G**

**G**  
Take a moment to remember  
**C**  
Who God is and who I am  
**G** **C**  
There You go lifting my load again

**G**  
No longer am I held by  
**C**  
The yoke of this world  
**G**  
Come upon you the yoke of Jesus  
**C**  
His yoke is easy and His burden is so light

**G**

You're lifting my load

**C**  
You're lifting my load

**G**  
No longer am I held by  
**C**  
The yoke of this world  
**G**  
Come upon you the yoke of Jesus  
**C**  
His yoke is easy and His burden is so light

**G**  
Your love carries  
**C**  
Your love carries me through  
**G** **C**  
All the valleys and the darkest places

## Acordes
