

William Fitzsimmons - Centralia

Tom: F

Gm Dm C Bb
 I offer myself to you
 I am a broken thing
 A cardinal with severed wing
 A dim morning to hide my face
 Though I am a sunderer
 Geist in eternal grace
 (Dm C Bb Gm)
 Heir to a crippled crown
 My little elysium
 God how I've let you down
 Let me fall
 Through the ground
 Where you fell
 Back to you
 Dm

We burn like Centralia
 Lost in the ash below
 Hoping to find a home
 So far may you run from me
 The cities with living leaves
 No fire to fear beneath
 Let me fall
 Through the ground
 Where you fell
 Back to you
 Let me fall
 Through the ground
 Where you fell
 Back to you
 Let me fall
 (C Bb)
