

# William Fitzsimmons - My Life Changed

Tom: G

Tabbed By: Joey B.

Verse:

G D A  
Bm  
You had this pattern of repeating every word that you would say

G D A  
A  
Every word that you would say

G D A  
Bm  
Till I met you with a sigh and to this day I still regret

G D A  
A  
How I made you go away

G D A  
Bm  
I saw the whole world from your eyes, at least the glimpse you let me see

G D A  
A  
And what a glimpse you let me see

G D A  
Bm  
But your eyes can never stretch, over boundaries made in stone

G D A  
A  
I'm afraid that's what will be

Pre-Chorus:

Bm A D  
G  
I imagine if I had another chance

G D A  
A  
To tell you all the things I should have said

Bm A D  
G  
We'd still find ourselves content in circumstance

G D A  
A  
But I'm content to say this anyway

Chorus:

G D A  
Bm  
The day that you were hit by that car... By that car

G D A  
A

The day that you were hit by that car... By that car

The day that you were hit by that car... My life changed
