If you feel that way well I guess it would

I can live my life without you

I've got places to go and things to do

A Dbm D A  
But I'll never be in love again  
A Dbm D A  
My poor old heart will never mend  
Db Gbm B7  
Oh I'll find someone to hold now and then  
A Dbm E A  
But I'll never be in love again

Well I never tried to put holds on you  
Dbm E  
That's the last thing I'd ever want to do  
A Gbm A  
So you go your way, I'll go mine  
Bm E A  
And if our paths should cross somewhere down the line  
Gbm E D  
I'll just say hello and shake your hand  
Dbm E  
But if tears come to my eyes please understand

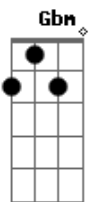

A Dbm D A  
But I'll never be in love again  
A Dbm D A  
My poor old heart will never mend  
Db Gbm B7  
Oh I'll find someone to hold now and then  
A Dbm E A  
But I'll never be in love again
