

Willie Nelson - Angel Flying Too Close To The Ground

Tom: G

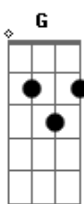

If you had not have fallen
 then I would not have found you
 Angel flying too close to the ground
 I patched up your broken wing and hung around for a while
 trying to keep your spirits up and your fever down
 So leave me if you need to I will still remember
 Angel flying too close to the ground.

I knew someday that you would fly away
 for love's the greatest healer to be found
 So leave me if you need to I will still remember
 Angel flying too close to the ground
 Fly on fly on past the speed of sound
 I'd rather see you up than see you down
 So leave me if you need to I will still remember
 Angel flying too close to the ground.
