

Willie Nelson - Rainbow Connection

tom:

G

G Em C D
Why are there so many songs about rainbows

G Em C
And what's on the other side?

G Em C D
Rainbows are visions, but only illusions

G Em C
Rainbows have nothing to hide

C
So we've been told and some choose to believe it

D7 D
I know the wrong way to see

C D G Em
Some day we'll find it, the rainbow connection

C D G
The lovers, the dreamers, and me

G Em C D
Who said that every wish will be heard and answered

G Em C
And wished on a morning star?

G Em C D
Somebody thought of that and someone believed him

G Em C
Look what it's done so far

C

What's so amazing and keeps us stargazing?
D7 D
What do we think we might see?
C D G Em
Some day we'll find it, the rainbow connection
C D G
The lovers, the dreamers and me
G Em C D
Have you been half asleep and have you heard voices?
G Em C
I've heard them calling my name
G Em C D
Are these the sweet sounds that called the young sailors?
G Em C
I think that they're one and the same
C
I've heard it too many times to ignore it
D7 D
It's something that I'm supposed to be
C D G Em
Someday we'll find it the rainbow connection
C D G
The lovers, the dreamers and me

Someday we'll find it the rainbow connection

The lovers, the dreamers and me
