

Willie Nelson - Summer Of Roses

Tom: F

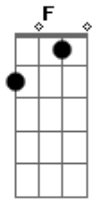

A short time I have to be with you, my love
 But a short time is better than no time, you see
 So I bring to you all my possessions
 And would that you'd share them with me

 I bring one springtime of robins
 When I bring you your winter of snow

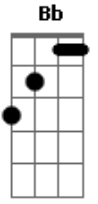

One springtime of robins to sing
 I bring you one summer of roses
 One summer of roses I bring

 I bring you one autumn dry leaves
 Dry leaves will be helpful, you know
 To soften the fall of your snowflakes
 When I bring you your winter of snow
