

Willie Nelson - The Border

tom:

[Intro] Am

[Primeira Parte]

Am

I work on the border

Am

I see what I see

I work on the border

G

And it's working on me

Am

[Segunda Parte]

I lie awake at night

Knowing what I know

There's a price on my head

G

Of every border patrol

Am

[Terceira Parte]

Where the smugglers do business

That's where I make a stand

I know this old desert

G

Like the back of my hand

Am

[Quarta Parte]

I see greed in the bushes

I see snakes in the dark

Some are friends of my brothers

G

Can't you hear them dogs bark

Am

[Refrão]

I come home to Maria

At the end of the day

In th' shape of a shadow

F

Holding demons at bay

G

?It's just a border? th'y say

Am

[Quinta Parte]

It was Mexican soldiers

Out of a black Humvee

With their guns to their shoulders

G

Am

Aimed at my partner and me

[Sexta Parte]

As they drove away laughing

But the message was clear

We don't care about nothing

But the money down here

G

Am

[Refrão]

I come home to Maria

In a bulletproof vest

With the weight of the whole wide world

Barring down on my chest

It's just a border I guess

[Ponte]

From the shacks and the shantys

Come the hungry and poor

Some to drown at the crosses

Some to suffer no more

Both of them friends of mine

Both good men

[Oitava Parte]

They did one thing right

And look what they got

Federal prison

Where they're both going to rot

Am

[Refrão]

I come home to Maria

Where else would I go

Cross the River to die by myself

Down In old Mexico

It's just the border y'know
