

Willie Nelson - You Are My Sunshine

Tom: A

^A
The other night dear, as I lay sleeping
^D I dreamed I held you in my arms
^D But when I awoke dear, I was mistaken
^E And I hung my head and cried

^A
You are my sunshine, my only sunshine
^D You make me happy when skies are gray
^D You'll never know dear, how much I love you
^E Please don't take my sunshine away

^A
I'll always love you and make you happy
^D If you could only say the same
^D But if you leave me, to love another
^E Well you'll regret it all someday

^A
You are my sunshine, my only sunshine

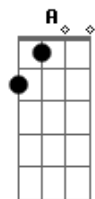

^D You make me happy when skies are gray
^D You'll never know dear, how much I love you
^E Please don't take my sunshine away

Solo

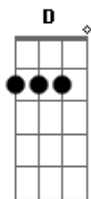

^A
You told me once dear, that you really loved me
^D And no one else could come between
^D Well now you've left me, and love another
^E You have shattered all my dreams

^A
You are my sunshine, my only sunshine
^D You make me happy when skies are gray
^D You'll never know dear, how much I love you
^E Please don't take my sunshine away
Please don't take my sunshine away
