A D E
D

Marceline, I know you're not real in this dimension, I mean, oh

A
What's up with your dad up in the nightosphere?
E D
Your tears, they're cleansing all my spheres
A D
You touch my hair, I'm playing on your bass
E D
But we don't care, we're messing up your space
A D
You got nowhere to live, but you'll go back to space
E D
Huh... take me with you
A
I'm sick of mildew
D E
I'm sick of all of these humans telling me what to do
D A D
They make you stupid, but we are from Nibiru
E D
Remember your cosmic roots
A D E D
Marceline, I'm coming to get you, girl
A D E D
We're flying, let's catch a ride on Lady Unicorn
A D E D
Marceline, Marceline
A D E D
Marceline, you're breathing in gasoline, oh
