

Wilson Simonal - Vesti Azul

Tom: D

(intro) A G F F E

Estava na tristeza que dava dó

E via vagamente e andava só

Mas eis que de repente me apareceu

Um brotinho lindo que me convenceu

Dizendo que eu devia vestir azul

Que azul é cor do céu e seu olhar também

Então o seu pedido me incentivou

Vesti azul

Minha sorte então mudou

Vesti azul

A G F F E

Minha sorte então mudou

Passei a ser olhado com atenção

E fui agradecer pela opinião

Então senti que o broto estava toda mudada

Parecia até que estava apaixonada

Então eu fiz charminho e até sentei

Só vim aqui saber como eu fiquei

E aquele olhar do broto me confirmou

Vesti azul

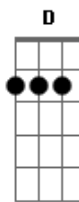

Minha sorte então mudou

Vesti azul

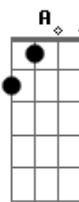

Minha sorte então mudou

(Vesti azul...) (2x)
