

Wings - After The Ball

tom:
 G
 [Primeira Parte]

After the ball
 After the ball!
 You were the one
 Out in the hall!
 You were the one
 The one who would love me
 After the ball

[Segunda Parte]

After the ball
 After the ball!
 You were the one
 Out in the hall!
 You were the one
 The one who would love me
 After the ball

[Terceira Parte]

Well, I arrived, looked around
 But the room was full of strangers

Nowhere was a friendly face to be found!
 Later on, I awoke
 But the party, it was over
 There you were, waiting to bring me 'round!

[Quarta Parte]

After the ball
 After the ball!
 You were the one
 Out in the hall!
 You were the one
 The one who would love me
 After the ball

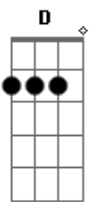

[Final]

After the ball
 After the ball!
 You were the one
 Out in the hall!
 You were the one
 The one who would love me
 After the ball
