

Wings - After The Ball / Million Miles

tom:
 D
 [Primeira Parte]

After the ball
 After the ball!
 You were the one
 Out in the hall!
 You were the one
 The one who would love me
 After the ball

After the ball
 After the ball!
 You were the one
 Out in the hall!
 You were the one
 The one who would love me
 After the ball

Well, I arrived, looked around
 But the room was full of strangers
 Nowhere was a friendly face to be found!
 Later on, I awoke
 But the party, it was over
 There you were, waiting to bring me 'round!

After the ball
 After the ball!

You were the one
 Out in the hall!
 You were the one
 The one who would love me
 After the ball

After the ball
 After the ball!
 You were the one
 Out in the hall!
 You were the one
 The one who would love me
 After the ball

[Segunda Parte]
 How many million miles, day-oh?
 How many million miles, day-oh?

When I get up, up, up!
 In the morning
 Oh lord, I know
 When I look up, up, up!

In the evening
 Oh lord, I know

[Final]
 How many million miles, day-oh?
 How many million miles, day-oh?
 How many million miles, day-oh?

Acordes
