

Wings - Maybe Im Amazed Solo

Tom: C

1st Solo (1.10):

Tabbed By: Simon Driscoll.

OK, here's the two solo's for the song. Once or twice it can sound kind of plain compared to the record, so you may want to liven it up a bit by sliding into some of the notes or using hammer ons or pull offs etc. There may be a slightly easier way to play the solos but they're fairly easy to play the way I figured it out.

Mute Strings and Strum(2.04)

2nd Solo (3.03):

h - hammer on
p - pull off
b - bend
r - release bend
/ - slide up
\ - slide down

Enjoy.
