

Wings - Picassos Last Words

Tom: G

The grand old painter died last night

his paintings on the wall

Before he left he bade us well

and said good night to us all

Drink to me

Drink to my health

You know I can't drink anymore

Drink to me

Drink to my health

You know I can't drink anymore

Three o'clock in the morning

Three o'clock in the morning

I'm getting ready for bed

It came without a warning

But I'll be waiting for you baby

I'll be waiting for you there

So Drink to me

Drink to my health

you know I can't drink anymore

Drink to me

Drink to my health

You know I can't drink anymore
