

# Winter Aid - The Wisp Sings

Tom: E  
Intro: E B A Dbm B

E  
Let me sleep

B  
I am tired of my grief

A  
And I would like you

Dbm B E  
To love me, to love me, to love me

B A  
This is the night when these woods sigh

E  
Come with me

B  
There are people who cannot speak

A

Without smiling

Dbm B E  
They would take me from your hand

B A  
Or they would try, they would try

Dbm B E  
This is the murmur of the land

B A  
This is the sound of love's marching band

Dbm B E  
And how they hold you like a gun

B A  
And how I sing you like a song

I heard when I was young

Dbm B E  
And buried for a night like this

E B A Dbm B E B A Dbm B E

## Acordes
