

# With Confidence - Godzilla

tom:  
 E  
 Oh I'm knocking down these buildings  
 E  
 Like I'm breaking through these feelings  
 Aadd9  
 Stepping on the dreams in my head  
 E  
 And I'm feeling kinda angry  
 But my attitude will vary  
 Aadd9  
 All the things you think I might of said  
 E  
 When you think I'm coming home  
 Lock the door leave me alone  
 Aadd9  
 Run into the ocean instead  
 E  
 And I think I'll try and give you up  
 Running pretty low on luck  
 Aadd9  
 Covered in the sheets of my bed  
 Covered in the sheets of my bed  
 ( E A E A )  
 E  
 So I'm running through the ocean  
 Flailing in its motion  
 Aadd9  
 All the love I had for you is dead  
 E  
 There's a fire for your fury  
 And a gavel for your jury  
 Aadd9  
 And a place that you can claim in my stead

So I'm running through this town in black  
 Leather jeans and stupid hats  
 Aadd9  
 To be or not to be's what he said  
 E  
 And I think I'll try and give you up  
 Running pretty low on luck  
 Aadd9  
 Covered in the sheets of my bed A7M  
 Covered in the sheets of my bed  
 E  
 And I'll do the best that I can Aadd9  
 Gbm  
 To fuck up all your plans  
 Aadd9  
 You're as blind as the eyes that you steal  
 E  
 I hope your wounds will never heal  
 Aadd9  
 And I hate every breathe that you take  
 Gbm  
 Cos I feel and I kneel and I break  
 Aadd9  
 And I know, oh I know what it cost  
 E  
 Cos now I am always lost  
 Aadd9  
 And your eyes will clash with your skin  
 Gbm  
 And your gaze will hold me in  
 Aadd9  
 And I know your mind is set  
 E  
 So I'll take what I can get  
 Aadd9  
 So I'll take what I can get  
 Gbm  
 So I'll take what I can get  
 Aadd9  
 So I'll take what I can get  
 So I'll take what I can get

## Acordes
