

# Within Temptation - Whole World Is Watching

tom: Db (forma dos acordes no tom de C )  
 Capostraste na 1ª casa

Am  
 You live your life  
 C  
 You go day by day  
 G Dm  
 Like nothing can go wrong  
 Am  
 Then scars are made  
 C  
 They're changing the game  
 G Dm  
 You learn to play it hard

Am C  
 And I know you wish for more  
 G Dm  
 And I know you try  
 Am C  
 And now you realize  
 G Dm  
 You know the time is right

[Refrão]  
 F Dm  
 The whole world is watching when you rise  
 C G  
 The whole world is beating for you right now  
 F Dm  
 Your whole life is flashing before your eyes  
 C G  
 It's all in this moment that changes all

F  
 What are you waiting for?  
 Dm  
 What are you fighting for?  
 C G  
 Cause time's always slipping away  
 F  
 The whole world is watching  
 Dm C  
 Yeah, the whole world is watching  
 G  
 When you rise

Am  
 You build your walls  
 C  
 Then break them away  
 G Dm  
 Cause that is what it takes  
 Am  
 You saved yourself  
 C  
 You found who you are  
 G Dm  
 And that never goes away

Am C  
 And I know you wish for more  
 G Dm

Am C  
 And I know you try  
 G Dm  
 And now you realize  
 You know the time is right

[Refrão]  
 F Dm  
 The whole world is watching when you rise  
 C G  
 The whole world is beating for you right now  
 F Dm  
 Your whole life is flashing before your eyes

 What are you fighting for?  
 C G  
 Cause time's always slipping away  
 F  
 The whole world is watching  
 Dm C  
 Yeah, the whole world is watching  
 G  
 When you rise

Am C G Dm  
 Oh  
 F Dm  
 Your sacrifice comes to your mind  
 C  
 But nothing is wasted  
 G  
 You made it now  
 F Dm  
 You rise again, breaking out  
 C G  
 Each step that you've taken you've paid the price  
 F Dm C G  
 The whole world is watching  
 F Dm C G  
 Oh  
 F  
 The whole world is watching  
 Dm C  
 Yeah, the whole world is watching  
 G  
 When you rise

F  
 What are you waiting for?  
 Dm  
 What are you fighting for?  
 C G  
 Cause time's always slipping away
