Leaving all my problems at the door  
F  
Pouring up, soon as you think it's enough they bringin' more  
Am C  
Hanging onto what niggas told me "get your paper up"  
F  
You work hard for what you got, they could never take it from you  
Am C  
All you need is a little patience, let me demonstrate  
F  
All my niggas in the game, we talkin' cause we been through it  
Am C  
Rolling weed in raw papers, taking shots, gin got me faded  
F  
If I get back to your spot, won't know how I made it  
Am C  
Now I made my way in the game, so much money  
F  
Don't know how a nigga stayin' the same, I'm too straight  
Am C  
I get high all day, I take it straight to the brain  
F Am  
I stay fly all week, like seven days on the plane
