

Wolf Alice - Don't Delete The Kisses

Tom: F
 Intro: F Bb F
 I see the signs of a lifetime, you 'til I die
 Bb F
 And I'm swiftly out, Irish goodbye

F
 What if it's not meant for me?
 Bb
 Love
 F
 What if it's not meant for me?
 Bb
 Love

F
 I'd like to get to know you
 F
 I'd like to take you out
 F
 We'd go to the Hail Mary
 F
 And afterwards make out
 Bb
 Instead I'm typing you a message
 Bb
 That I know I'll never send
 F
 Rewriting old excuses
 F
 Delete the kisses at the end
 F
 When I see you, the whole world reduces
 F
 To just that room
 F
 And then I remember and I'm shy
 F
 That gossip's eye will look too soon
 Bb
 And then I'm trapped, overthinking
 Bb
 And yeah, probably self-doubt
 F
 You tell me to get over it
 F
 And to take you out
 Dm
 But I can't, I'm too scared
 Dm
 And there's the night-bus, I have to go
 Gadd11
 And the doors are closing and you were waving
 Gadd11
 And I like you, and I'll never let it show
 Am
 And you won't wait and maybe I won't mind
 Am
 I work better on my own
 Gm
 And now I'm, well, a bit drunk
 Gm
 And I ask myself

F
 What if it's not meant for me?
 Bb
 Love

F
 What if it's not meant for me?
 Bb
 Love
 F
 A few days pass since I last saw you
 F
 And you have taken over my mind
 F
 I'm re-telling jokes you made that made me laugh
 Pretending that they're mine
 Bb
 I wanna tell the whole world about you
 Bb
 I think that that's a sign
 F
 I'm losing self control and it's you
 F
 It really is, one thousand times
 F
 I look at your picture and I smile
 F
 How awful's that? I'm like a teenage girl
 F
 I might as well write all over my notebook
 F
 That you 'rock my world!'
 Bb
 You do, you really do
 Bb
 You've turned me upside down
 F
 And that's okay, I'll let it happen
 F
 'Cause I like having you around
 Dm
 I'm a love-trick, a romantic cliché
 Dm
 And they really are all true
 Gadd11
 And we catch eyes in a stupid party
 Gadd11
 I know exactly what to do
 Am
 I'll take your hand, and we will leave
 Am
 A French exit for me and you
 Gm
 You know I'm home, a little bit drunk
 Gm
 Some things don't change
 Gm
 And I know now

F
 Me and you were meant to be
 Bb
 In love
 F
 Me and you were meant to be
 Bb
 In love
 Dm G Am Gm F
 Me and you

F Bb F
 I see the signs of a lifetime, you 'til I die
