

The Wolfe Tones - Go On Home British Soldiers

Tom: G

Go on home British soldiers, go on home.

Have you got no fuckin' homes of your own ?

For eight hundred years we've fought you without fear

And we will fight you for eight hundred more

If you stay British soldiers if you stay

You'll never ever beat the IRA

The fourteen men in Derry are the last that you will bury

So take a tip and leave us while you may

Go on home British soldiers, go on home

Have you got no fuckin' homes of your own ?

For eight hundred years we've fought you without fear

And we will fight you for eight hundred more

No! we're not British we're not Saxon we're not English

We're Irish! and proud we are to be

So fuck your Union Jack we want our country back

We want to see old Ireland free once more

Go on home British soldiers, go on home

Have you got no fuckin' homes of your own ?

For eight hundred years we've fought you without fear

And we will fight you for eight hundred more

Go on home British soldiers, go on home

Have you got no fuckin' homes of your own ?

For eight hundred years we've fought you without fear

And we will fight you for eight hundred more

Well we're fighting British soldiers for the cause

We'll never bow to soldiers because

Throughout our history we were born to be free

So get out British soldiers leave us be
