

# Woodkid - To Ashes And Blood

tom:  
 You walk along the edge of danger  
 And it will change you  
 Why would you let this voice set in your head?  
 It is meant to destroy you  
 You summon storms, you play with nature  
 Now watch it hurt you  
 Why would you want to shape the world in your hands?  
 You will never make it through  
 Ne gegkiru'ga uni re'cho  
 Ne gug'kuna kha'na uni re'cho  
 Catch the fire burning out your soul  
 Just make it die or you will turn it all  
 To ashes and blood  
 Ne gegkiru'ga uni re'cho  
 To ashes and blood  
 Ne gug'kuna kha'na uni re'cho  
 You waste your life to gain power  
 You shift the game rules  
 How does it feel to reach the line that no one ever got to cross?  
 Does it make you a god now?

Every sin will be forgiven  
 If you lay down your weapons to the ground  
 Ne gegkiru'ga uni re'cho  
 Ne gug'kuna kha'na uni re'cho  
 Catch the fire burning out your soul  
 Ne gegkiru'ga uni re'cho  
 Just make it die or you will fall  
 Ne gug'kuna kha'na uni re'cho  
 Catch the fire burning out your soul  
 Ne gegkiru'ga uni re'cho  
 Just make it die or you will turn it all  
 Ne gug'kuna kha'na uni re'cho  
 To ashes and blood  
 Ne gegkiru'ga uni re'cho  
 To ashes and blood  
 Ne gug'kuna kha'na uni re'cho  
 To ashes and blood  
 Ne gegkiru'ga uni re'cho  
 To ashes and blood  
 Ne gug'kuna kha'na uni re'cho  
 To ashes and blood  
 Eh  
 Eh  
 Eh  
 Eh
