

Worship Zone - Aviva-nos

tom: Em

Em G Am

Estamos esperando

Pelo Teu soprar

Como em Pentecostes

Enche esse lugar

Toma as nossas vidas

Em Tuas mãos de amor

Nós te entregamos

O nosso louvor

Como um vento impetuoso

Invade todo o ambiente

Com Teu fogo, purifica

O meu corpo e a minha mente

Tua presença gloriosa

Não consigo suportar

Tua igreja meu senhor

Podes batizar

Aviva-nos, aviva-nos

Aviva-nos, aviva-nos

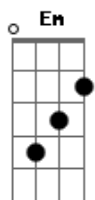

Deixa o fogo descer

Faz o céu se abrir hoje aqui

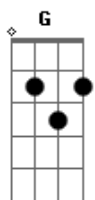

Podes nos encher

Sem Tua presença eu não vou sair
