      C
But I can't hide them

Em                  D
I still keep my baby teeth
      Am                  C
In the bedside table with my jewelry

Em                  D
You still sleep in the bed with me,
  Am                  C
My jewelry, and my baby teeth

 Em
I don't need another friend
When most of them
I can barely keep up with
I'm perfectly able to hold my own hand,
but I still can't kiss my own neck

I wanted to give you everything
but I still stand in awe of superficial things
I wanted to love you like my mother's mother's mothers did
Civilian
