

# Xavier Rudd - Bow Down

Tom: G

Intro: Em Am B7 Em

Em Am B7 Em  
I sit here now 2010, government still stealing land

Em Am  
Making lame excuses for their greed

B7 Em  
While that oil spills into the sea

Em Am  
And the whalers now still killing whales

B7 Em  
And old growth bush still being raped

Em Am  
And I know we all have busy lives

B7 Em  
But sing along if you have the time

B A G Em  
Bow down to your god

G  
But don't forget about the earth

Am  
Place your hand on a tree

Em  
Who's helping you breathe

Em  
Give thanks to the sun

G  
When you open your lungs

Am  
Throw your butts in the bin  
Em

Help the old turtles swim

Em Am B7 G

Em Am  
Selling tourism on sacred land

B7 Em  
While the local mob sit on their hands

Em Am  
If what I'm speaking here makes any sense

B7 Em  
Open up my friend and jump the fence

B A G Em  
Bow down to your god

G  
But don't forget about the earth

Am  
Place your hand on a tree

Em  
Who's helping you breathe

Em  
Give thanks to the sun

G  
When you open your lungs

Am  
Throw your butts in the bin

Em  
Help the old turtles swim

Em G  
Freedom for all

Am Em  
Freedom for all
