

Xaxado Novo - Terra Batida

tom:

Bm

Bm7

A bênção Padim

Salve Luiz Gonzaga e São João

É o Xaxado descendo a ladeira

Rufa a zabumba, a rabeca e o violão

Dança a menina, a rainha e o plebeu

Bailado do povo, cor de todos os irmãos

Abre alas, é cena brasileira que desenha

Vem do cangaço, Maria Bonita e Lampião

Canto andarilho desbravando estradas

É pra mim, pra tu, pra menina faceira

Levanta poeira, sem beira nem eira

D7M

Bate as alpargatas no chão

Cantador solta voz

é Xaxado Novo

Mãos que tocam tambores

Canto de luta, fé e tradição

É sapateado, terra batida, caatinga

É Brasil, é nordeste, é sertão

Cantador solta voz

não se avexe não

Sangue quente de um povo

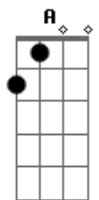

Canto de luta, dor e tradição

É sapateado, terra batida, caatinga

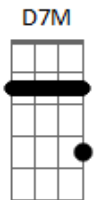

É Brasil, é nordeste

É pobre, é burguês, é sertão
