

Xdinary Heroes - Good Enough

tom:

Intro: F2 Bb F

[Primeira Parte]

Climbin' up to reach your land, never done
 At the end I'm pulled away, chances gone

[Pré-Refrão]

Is it gravity or ocean wind that always bring me back
 Wanting you, let's be true, 'cause it's you

[Refrão]

Just let me wave to you, not wave goodbye
 Let me stay by your side
 'Cause it's good enough
 Yeah, it's good enough for me

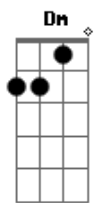

Don't let me go back to darkness of blue
 As long as I'm with you
 I want nothing more, nothing more, nothing more
 'Cause it's good enough, good enough, good enough

(F2 Bb)

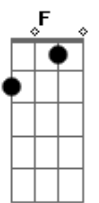

[Segunda Parte]

Going back and forth and reaching for
 The place I know that seems so far
 Where you'll put your arms around my heart
 And keep me warm all through the night
