

Xenogears - Stars Of Tears

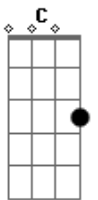

tom:
 C
 Your fingertips moving gently to my heart
 G Bb
 The force of life goes on and on
 G Bb
 The song remains like a haunting melody
 G D D
 Of angel music caught in chains
 D
 And I ask you
 C D Em
 Can we ease the pain of those who lost? (The force of life goes on)
 C D Em
 Can we know the cause of all this sorrow? (Tears and loneliness)
 C D Em
 Can we catch the tears of a broken world?

C C D
 Falling down upon the earth, falling down
 G Bb
 The waves of time take me deeper into you
 G D
 A haze as blue as summer skies
 G Bb
 And turn to find the key will not unlock the door
 G D D
 This broken bird, away it flies
 D
 And I ask you
 C D Em
 Can we ease the pain of those who lost? (The force of life goes on)
 C D Em
 Can we know the cause of all this sorrow? (Tears and loneliness)
 C D Em
 Can we catch the tears of a broken world?
 C C D
 Falling down upon the earth, falling down
