

Xote de Colo - Lenda do Dragão

tom:

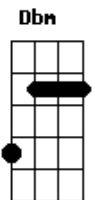

A
 Ainda era escuro quando eu
 Saí daqui pra ver o mar
 Bem pra longe de casa eu andei
 Sentindo a alma quente ardente
 Feito a chama que
 Sai da boca do dragão
 Só queria sentir essa brisa
 Minha vida é mesmo emoção

Gbm A
 Muitas vezes a gente precisa
 Levantarmos em uma fração
 Então virá uma força me empuncionar
 Vou viajar, eu vou longe vou ver o mar
 Quando chegar eu prometo vou te avisar
 E aí vamos forrozar lá na beira do mar
 E a gente vai dançar até o sol raiá
 (A Abm Gbm B E)
