tom:

C

C F

Em qualquer dia, a qualquer hora

Vou estoira, pra sempre

Mas entretanto, enquanto tu

Tu pões-me, tão quente

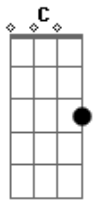

[Refrão 1]

Ja sei que ei de arder na tua fogueira

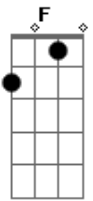

Mas sera sempre sempre a minha maneira

E as forças q me empurram

E os murros q me murram

Só me farão voltar á minha maneira

À minha maneira

[Segunda Parte]

Por esta estrada, por este caminho
A noite, 'pra sempre

De terra em terra, passo a passo

Vou andando, prá frente

À minha maneira

À minha maneira
