

# Xuxa - Natal Todo Dia

Tom: F

Um clima de sonho se espalha no ar,  
 Pessoas se olham com brilho no olhar,  
 A gente já sente chegando o Natal,  
 É tempo de amor, todo mundo é igual.

Os velhos amigos irão se abraçar,  
 Os desconhecidos irão se falar,  
 E quem for criança vai olhar pro céu  
 Fazendo pedido pro velho Noel

Se a gente é capaz de espalhar alegria,  
 Se a gente é capaz de toda essa magia,

Eu tenho certeza que a gente podia  
 Fazer com que fosse Natal todo dia!

Um jeito mais manso de ser e falar,  
 Mais calma, mais tempo pra gente se dar.  
 Me diz porque só no Natal é assim?  
 Que bom se ele nunca tivesse mais fim!

Que o Natal comece no seu coração,  
 Que seja pra todos, sem ter distinção.  
 Um gesto, um sorriso, um abraço, o que for,  
 O melhor presente é sempre o amor.
