F7M Em
 Okay, she keep callin, she keep callin' every single night
 Am Em
 Day and night, on my mind, please don't kill the vibe
 F7M Em
 All alone, swear to God, I be in my mind
 Am Em
 Swear I wanna die, yeah, when you cross mind
 F7M
 Said I wanna die, yuh, no, I'm not alright, yuh

 I might start a riot, yuh, I'm so fuckin' tired, yuh
 F7M Em
 So what's up? What you say? Feelin' good, I'm feelin' great
 Am Em
 Tired of the fuckin' hate, stackin' cheese all on my plate

[Ponte]

So outside my misery, I think I'll find
