Okay, she keep callin, she keep callin' every single night

Day and night, on my mind, please don't kill the vibe

All alone, swear to God, I be in my mind

Swear I wanna die, yeah, when you cross mind

Said I wanna die, yuh, no, I'm not alright, yuh

I might start a riot, yuh, I'm so fuckin' tired, yuh

So what's up? What you say? Feelin' good, I'm feelin' great

Tired of the fuckin' hate, stackin' cheese all on my plate

[Ponte]

F Em Am Em F

So outside my misery, I think I'll find

A way of envisioning a better life

For the rest of us, the rest of us

There's hope for the rest of us, the rest of us
