

# XXXTentacion - Jocelyn Flores

Tom: D

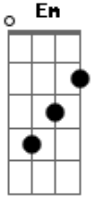

I know you so well, so well  
 I mean, I can do anything that he can  
 I've been pretty

I know you so well, so well  
 I've been trapped in my mind girl, just holding on  
 I don't wanna pretend there's something, we're nothing  
 I've been stuck thinking 'bout her, I can't hold back
