

XXXTentacion - Jocelyn Flores

Tom: D

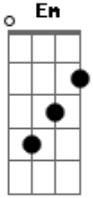

Em D A7 A7
 I know you so well, so well
 Em Bm D A7
 I mean, I can do anything that he can
 I've been pretty

Em D A7 A7
 I know you so well, so well
 Em Bm D A7
 I've been trapped in my mind girl, just holding on
 Em D A7 A7
 I don't wanna pretend there's something, we're nothing
 Em Bm D A7
 I've been stuck thinking 'bout her, I can't hold back
