

Yael Naim - Far Far

Tom: G

Far far, there's this little girl
 she was praying for something to happen to her
 everyday she writes words and more words
 just to speak out the thoughts that keep floating inside
 and she's strong when the dreams come cos' they
 take her, cover her, they are all over
 the reality looks far now, but don't go

how can you stay outside?
 there's a beautiful mess inside
 how can you stay outside?
 there's a beautiful mess inside
 oh oh oh oh

//Like the first verse in
 far far, there's this little girl
 she was praying for something good to happen to her
 from time to time there're colors and shapes
 dazeling her eyes, tickeling her hands
 they invent her a new world with
 oil skies and aquarel rivers
 but don't you run away already
 please don't go oh oh

//Like the chorus
 how can you stay outside?
 there's a beautiful mess inside
 how an you stay outside?
 there's a beautiful mess inside
 take a deep breath and dive
 there's a beautiful mess inside
 how can you stay outside?
 There's a beautiful mess
 beautiful mess inside

oh beautiful, beautiful
 far far there's this little girl
 she was praying for something big to happen to her
 every night she ears beautiful strange music
 it's everywhere there's nowhere to hide
 but if it fades she begs
 "oh lord don't take it from me, don't take it yourselves"
 i guess i'll have to give it birth
 to give it birth

i guess, i guess, i guess i have to give it birth
 i guess i have to, have to give it birth
 there's a beautiful mess inside and it's everywhere
 so shake it yourself now deep inside
 deeper than you ever dared
 deeper than you ever dared
 there's a beautiful mess inside
 beautiful mess inside
